BEECHCRAFT 1900D ENGINE ISOLATORS

Hawker Beechcraft Support

AEK Technology is equipped to support your requirements for Hawker Beechcraft 1900D engine isolators and isolator components, including factory new and factory rebuilt parts. Our sales staff can cross your Beech part to a Barry Controls part that we have in stock.

**Barry Controls Engine
Vibration Isolator P/N
95596-1 (Hawker
Beechcraft P/N 129-389001-
7) for Beech 1900D aircraft
powered by PT6A-65B and
PT6A-67D engines.**

***AEK has the largest
inventory of PT6 engine
vibration isolators in stock
and carries other Barry
Controls engine isolators
and isolator components
for piston, turboprop and
jet aircraft.***

***We also stock factory
rebuilt isolators and
factory new isolator
components for field
overhauls and rebuilds.***

AEK Technology also stocks many of the AN, MS and NAS hardware items used in aerospace and defense applications such as fasteners, fittings and avionics box to tray retainers.

TYPICAL 95596 ENGINE ISOLATOR
